

Applicant: Furukawa et al.
Application No.: 10/558,994

REMARKS

A change in the title has been made to correct minor informalities. The Assignment and Declaration filed with this application recite the title as "IMAGE PROCESSING APPARATUS." The application, as originally filed, also recites the title as "IMAGE PROCESSING APPARATUS." In order to conform the printed patent with the above three (3) documents, it is requested that the title be changed to "IMAGE PROCESSING APPARATUS."

It is submitted that this minor change is permitted under a Rule 312 Amendment and entry of this amendment and issuance are respectfully requested.

Respectfully submitted,

Furukawa et al.
